Christmas Opening Times

We understand that Christmas can be a challenging time for those struggling or facing a crisis, which is why we, alongside our venues and volunteers, are committed to remaining open wherever possible

Please note some sessions are open different days and times to their normal sessions and you still need a voucher code to attend. You can get a voucher code by phoning the CWaC Help Scheme for free 0808 175 3599. Please bear in mind that they are closed on bank holidays and their capacity can be reduced throughout this period.
