

Mental Health Support Worker – Cheshire East

37 hours | £26,708 | Based across outreach venues in Cheshire East

Do you believe everyone deserves the right support, at the right time, from the right person?

We're looking for a **Mental Health Support Worker** to join a brand-new team delivering the **Cheshire East Care Navigation Service**. This is an exciting opportunity to support people with **moderate to severe mental illness**, many of whom are rebuilding their lives following hospital discharge.

If you're empathetic, practical, organised – and passionate about recovery and independence – we'd love to hear from you.

North Staffs Mind is marking its **50th anniversary!** We've recently merged with **Cheshire Mind**, allowing us to expand our reach and support to even more people in our local communities.

★ Benefits

- People focused organisation with excellent staff satisfaction results
- Gifted your birthday as additional leave plus enhanced sick pay
- Flexible approach to working
- Monthly CPD Workshops (free)
- Free flu jabs
- 5% employer contribution pension scheme

💬 What you'll do

- Provide 1:1 emotional and practical support
- Help people build coping strategies and confidence
- Run/support drop-ins and psycho-educational workshops
- Signpost and connect clients to local services
- Record outcomes and activity accurately (CRM / Recovery Star)

🧠 What you'll need

- Experience supporting **vulnerable adults**
- Understanding of **mental health** and **adult safeguarding**
- Great communication, organisation and admin skills
- Confidence working across a team and with partners
- Flexibility (includes **at least one evening per week**)
- Full UK driving licence with use of own vehicle for business use to travel across a wide area in **Cheshire East** (Enhanced DBS required)

✉ **Apply now** or request further information by emailing employment@nsmind.org.uk and help shape this new service
